

CANADIAN PLASTICS BUYERS' GUIDE FREE LISTING FORM

Machinery and Equipment Section

The Canadian Plastics Buyers' Guide is published annually in December and updated regularly on our Web site, www.canplastics.com. To receive your **FREE** listing, it is important that you **complete and return all forms**.

PLEASE COMPLETE THE FOLLOWING INFORMATION ON YOUR ORGANIZATION
Return by fax to 416-510-5178 – if busy fax to 416-510-5129

Company Legal Name: _____

Division or Division of (check one if applicable): _____

Address (your location):

Mailing Address (if different):

Telephone: _____ Toll-Free Phone: _____

Fax: _____ Toll-Free Fax: _____

Corporate E-mail: _____

Web: _____

Is this location the head office? Yes No

Do you have an on-line product catalogue with shopping cart? Yes No

Name of contact to appear in your listing (name, title and e-mail address):

Activities: (check ONLY one of the following).

Manufacturer. If so, do you manufacture at this location? Yes No Another Location in Canada Yes No

Manufacturer's Sale Office Wholesaler Wholesale Agent & Broker

Distributor. If so, do you distribute products *other* than your own? Yes No

Other (describe) _____

Year Established: _____ Number of employees: _____

ISO Certification #: _____ Year certified: _____

Company Description (in fewer than 50 words):

Canadian Plastics Buyers' Guide

Your sales offices in Canada only (provide company name, if different, city and province):

Principals you represent (provide company name, if different, city and province/state):

Your representatives in Canada (provide company name, if different, city and province):

Products: To add products, please check off the appropriate products on the "Product Listing Form" attached and return all pages. If you prefer to return fewer pages by fax, copy the product or service numbers from the Products and Services Listing form into the spaces below (Example: For Blenders, write in 106419)

Please return forms as soon as possible to:

Canadian Plastics Buyers' Guide
12 Concorde Place, Suite 800, Toronto, Ont., M3C 4J2
Buyers' Guide Editor: 416-510-5112 ~ Fax: 416-510-5178 ~ Toll-Free: 1-800-268-7742, ext. 5112
Published by Business Information Group, LP

The above information may be included in the print and online versions of the Canadian Plastics Buyers' Guide.

Please provide the name, fax number and email of the person who would be responsible for updating this form. **Note: This information will not be published unless it is also listed elsewhere on this form**

Your name: _____ Title: _____

Date: _____ E-mail: _____

Telephone: _____ Fax : _____

Canadian Plastics Buyers' Guide

Products Listing Form - Machinery and Equipment

Note: There are six major classifications - Auxiliary Equipment, Control & Measuring, Fabricating & Finishing, Processing Machinery, Repair & Service, and Software & Systems.

Note: New products and services added this year are marked with ❖.

- Please indicate only the equipment you manufacture or distribute as NEW. Suppliers of USED EQUIPMENT should copy the number for "Used Machines" – 106316 – to the Products section of the update form.

Auxiliary Equipment

- 106419 Blenders (For Raw Materials)
- 106420 Bulk Handling Equipment (For Raw Materials)

Chillers

- 106541 Air-Cooled
- 106543 Evaporative Tower Systems (Plant-Wide Cooling)
- 117060 Portable
- 106542 Water-Cooled
- 106242 Cleaning Systems, For Tools & Machinery Parts
- 106421 Conveyors For Finished Plastic Parts

Conveyors For Raw Materials

- 106537 Air
- 106538 Auger
- 106539 Belt
- 106540 Bulk Systems
- 106424 Custom Machinery - Auxiliary

Dryers

- 106544 Dehumidifying
- 106545 Hot Air
- 106546 Oven
- 106547 Other Types Of Dryers
- 106247 Dust Collection Systems
- 106426 Feeders For Additives, Colourants & Other Raw Materials
- 106427 Feeders For Finished Plastic Parts (Rotary & Vibratory Parts Feeders)
- 106199 Gas-Assist Units For Injection Molding
- 106428 Granulators & Other Size Reduction Equipment
- 106185 Heat Transfer Fluids
- 106212 Insulating Jackets For Barrels Of Plastics Processing Machinery

Loaders For Raw Materials

- 106548 Hopper Loaders
- 106549 Powder Loaders
- 106430 Magnetic Metal Separation Equipment
- 106321 Metal Detectors
- 106431 Mold Inspection Devices (To Detect Parts Hung Up In Mold)
- 106211 Oil, Hydraulic
- 106432 Preheating Equipment For Molding Compounds
- 106433 Pulverizing Machines
- 106434 Quick Mold Changing Devices
- 106435 Railcar Unloaders

Robots

- 113704 End-of-Arm Tooling
- 106550 For Parts Assembly
- 106551 For Removing Parts From The Mold (Parts Pickers)
- 117062 Other Robot Styles

- 106243 Separating And Sorting Machinery
- 106437 Separators (For Sprues & Runners)
- 106438 Silos For Bulk Storage Of Raw Materials
- 106439 Solvent Recovery Systems
- Temperature Control Units**
 - 106533 Hot Oil
 - 106534 Water
- 134628 Vacuum Pumps
- 106440 Weigh Blenders
- 106441 Weigh Loaders

Controls and Measuring

- 106406 Colour Matching Systems
- 106194 Co-ordinate Measuring Machines
- 106405 Counters
- 106532 Hot Runner Controllers
- 106407 Leak Detectors For Plastic Containers

Machine Controls

- 106523 Controls For Motor Speed
- 106524 Controls For Timing/Sequencing (Programmable Logic)

Meters

- 106525 Electrical
- 106526 Flow
- 106195 Optical Comparators

Process Control Systems

- 106527 For Blow Molding Equipment
- 106528 For Extrusion Equipment
- 106529 For Injection Molding Machines
- 106196 Product Measurement & Inspection
- 106411 Scales, Weighing Equipment
- 106197 Scanning & Digitizing Devices

Temperature Controllers For Extrusion

- 106531 Multi-Zone
- 106530 Single-Zone

Testing Equipment & Instruments

- 106536 For Testing Physical Properties Of Finished Plastics Products (E.G. For Determining Izod Impact Strength)
- 106535 For Testing Raw Materials Properties (E.G. For Determining Melt Index)
- 106416 Thermocouples (Temperature Sensors)
- 106415 Thickness Gauging/Control Systems
- 106417 Transducers (Pressure Sensors)
- 106418 Vision Systems (For Process Monitoring)
- 106198 Vision Systems To Measure Parts
- 106249 Web Guiding Systems
- 106190 Web Inspection Systems

Fabricating and Finishing

- 106387 Air Knives

Assembly & Bonding Equipment

- 106495 Fusion Bonding/Welding Machines
- 106496 Heat Sealing Machines
- 134720 Laser Welding Machines
- 106497 Radio Frequency Sealing Machines
- 106498 Spin Welding Machines
- 106499 Staking Machines
- 106500 Ultrasonic Welding Machines
- 106501 Vibration Welding Machines
- 106502 Other Assembly & Bonding Equipment

106389 Bag-Making Machines

- 106390 Barreling & Drum Tumbling Machines
- 106391 Buffing & Polishing Equipment
- 106393 Corona Treaters

Corrugating Equipment

- 106503 For Pipe
- 106504 For Sheet
- 106394 Custom Machinery - Fabrication
- 106395 Cutting Tools For Plastics Fabrication

Decorating & Printing Equipment

- 106505 Electroplating Equipment
- 106506 Embossing Equipment
- 106507 Flexographic Printing Equipment
- 106508 Gravure Printing Equipment
- 106509 Hot Stamping Presses
- 106515 Marking Equipment
- 106510 Pad Printing Equipment
- 106511 Paint Spraying Equipment
- 106512 Screen Printing Equipment
- 106468 UV Curing Systems
- 106513 Vacuum Metalizing Equipment
- 106514 Other Decorating & Printing Equipment

106397 Deflashing Equipment

- 106398 Die-Cutting Machines
- 106399 Drilling Machines & Equipment
- 106400 Flame Treating Equipment

Packaging Equipment

- 106516 Blister Sealers
- 106517 Foam-In-Place Equipment
- 106518 Form/Fill/Seal Equipment
- 106519 Induction Sealers
- 106522 Other Packaging Equipment
- 106520 Pouch-Making Equipment
- 106521 Stretch Wrapping Machines
- 106402 Slitting Equipment
- 106403 Static Eliminators
- 106404 Winding Equipment

Processing Machinery & Components

- 105585 Autoclaves
- 106230 Barrels

Canadian Plastics Buyers' Guide

Blow Molding Machines

- 106452 Extrusion-Blow, Accumulator Head
- 106453 Extrusion-Blow, Continuous
- 106455 Injection Stretch-Blow
- 106454 Injection-Blow
- 106456 Other Designs
- 105587 Calendering Equipment**
- 105588 Chopper Guns For Fibrous Glass**
- 105589 Compounding Equipment**
- 105590 Compression & Transfer Molding Presses**
- 105591 Custom Machinery - Processing**
- 106231 Cylinders**
- 105592 Die & Mold Spotting Presses**
- 106232 Drives**

Extruders

- 106457 Co-extrusion Systems
- 106460 Extrusion Systems For Blown Film
- 106461 Extrusion Systems For Extrusion Coating
- 106462 Extrusion Systems For Pipe, Profiles & Tubing
- 106463 Extrusion Systems For Sheet
- 106464 Extrusion Systems For Wire & Cable
- 106458 Single-Screw
- 106459 Twin-Screw
- 106465 Other Extrusion Systems

Extrusion Equipment, Downstream, For Film

- 106470 Air Rings
- 106471 Automatic Gauge Control Systems
- 106472 Bubble Stabilizing Cages
- 106473 Die Carts
- 106474 Haul-Off Nip Assemblies
- 106475 Internal Bubble Cooling Systems
- 106476 Post Gusseters
- 106477 Web Guide Assemblies
- 106478 Winders
- 106479 Other

Extrusion Equipment, Downstream, For Pipe, Profile And Sheet

- 106552 Cooling & Sizing Troughs

- 106553 Cutters & Saws
- 106554 Haul-Offs, Pullers
- 106555 Other Downstream Extrusion Equipment

- 106446 Filament Winding Machines**
- 106233 Filtration, Hydraulic**

Foam Production Equipment (Not Including Structural Foam Machines, RIM Machines)

- 106556 Machines For Expandable Polystyrene
- 106557 Polyurethane Dispensing Equipment
- 106558 Other Foam Equipment
- 106222 Heating Bands & Elements**
- 106235 Hot Runner Systems**
- 106234 Hydraulic Pumps & Equipment**

Injection Molding Machines

- 106482 1,000-Ton & Over Clamping Force
- 106481 101- To 999-Ton Clamping Force
- 106469 All-Electric
- 106483 For Inserts
- 106486 For Structural Foam
- 140101 Hybrid (Electric and Hydraulic)
- 106484 Multi-Colour Molding
- 134721 Multi-Component Molding
- 106480 Up To 100-Ton Clamping Force
- 106485 With Multiple Stations
- 106487 Other Special-Purpose Injection Molding Machines

- 106373 Jigs & Fixtures**

- 106374 Laminating Equipment For Flexible Film**

- 106375 Laminating Presses For Rigid Materials**

- 106236 Melt Pumps**

- 106376 Mills**

Mixing Equipment

- 106488 High Intensity Mixers
- 106489 Static Mixers
- 106490 Other
- 106237 Mold Clamps**
- 106238 Nozzles**
- 106378 Pelletizers & Dicers**
- 106379 Plastisol Dispensing Equipment**

- 106380 Pultrusion Equipment**
- 106381 Reaction Injection Molding Machines**

- 106262 Reclaim/Recycling Systems**

Remanufacturing

- 106491 Blow Molding Machines
- 106492 Compression/Transfer Presses
- 106493 Extruders
- 106494 Injection Molding Machines
- 106383 Rotational Molding Machines**
- 106239 Screen Changers**
- 105829 Screws**
- 106384 Spray-Up Equipment**
- 106360 Thermoforming Equipment**
- 106316 Used Machines**
- 106241 Valves**

Repair and Service

- 106388 Assembly & Bonding Equipment**
- 106443 Bag-Making Equipment**
- 106444 Barrels & Screws**
- 105586 Blow Molding Machines**
- 106350 Borescoping**
- 106351 Chillers**
- 105590 Compression & Transfer Molding Presses**
- 106353 Controls & Controllers**
- 106231 Cylinders**
- 106355 Decorating & Printing Equipment**
- 106356 Electrical/Electronic Systems**
- 105593 Extruders**
- 106358 Extrusion Equipment, Downstream**
- 106359 Injection Molding Machines**
- 106360 Thermoforming Equipment**

Software and Systems

- 140100 3D Imaging Software**
- 106259 CAD/CAM Systems**
- 106337 Finite Element Analysis**
- 106187 Job Costing Software**
- 106338 Management Information Systems**
- 134723 Manufacturing Resource Planning (MRP)/ Enterprise Resource Planning (ERP)**
- 106339 Plant-Wide Monitoring**
- 106340 Plastic Flow Analysis**

STAND OUT FROM THE CROWD WITH THESE LISTING ENHANCEMENTS

The Canadian Plastics Buyers' Guide is used an average of 17 times a year to source plastics products, molds, raw materials and equipment. Take advantage of our "Sales Builder" ad program to tell potential new customers about your company's capabilities. Sales Builder ads will be placed in the Product Index on the same page spread as your choice of index heading.

If you purchase a Sales Builder ad, you also get your company's logo over your listing in the Alphabetical section at no extra charge.

Sample ads that will be seen by over 6,000 plastics processors, almost 600 moldmakers, and 2,200 manufacturers that use plastics components and packaging:

(Rates in Canadian funds)

ABCgroup

The ABC Group is a fully integrated global company with more than 30 manufacturing locations in North American, South America, Europe and Asia. ABC Group provides a complete line of thermo-plastic systems and components for the Automotive, Industrial and Packaging markets.

PROCESSES: Blow moulding, injection moulding, thermoforming, powder slush molding, flexible foaming systems, sheet extrusion, painting (automotive interior/exterior systems), metal stampings and material compounding.

CAPABILITIES: Product design, research and development, CAD/CAM, tooling design and fabrication, material customization, product testing and innovative manufacturing.
